## CLASS 2 CONTROL TRANSFORMERS OPEN CONSTRUCTION

The Zettler Controls' Series AHR footmount compact open construction transformers are less than 2 1/4" in height. This makes them ideal as replacements within existing equipment and are available with various inputs and voltages. These control transformers provide power source for control circuits for air conditioning, heating or refrigeration systems.

- Low heat rise
- 2.13 x 1.88 x 2.25 inches
- Primary and secondary color coded leads
- 130°C rated construction material
- Split bobbin design
- Foot-mount
- 50/60 Hz
- UL/CUR approval
